

We invite you to join us as we gather for worship from the safety of our vehicles. We'll worship together, watching Deaconess Johnna Georgia and listening from our car radios.

We will be observing Holy Communion. If you wish to participate, we ask that you bring your own bread and juice. We will bless and partake in the elements together during the service.

There will be a drop off container for offering on your way out.

A bulletin will be e-mailed to you and provided via our Facebook page for you to follow along with! Please note that paper copies of the bulletin will **not** be provided. It is up to you to print off your own copy prior to the service or follow along on your own device.

Please note, to comply with safety measures the church building & restrooms will be unavailable. We ask that you plan accordingly.

Please follow these guidelines for safety during this time.....

PARKING LOT INSTRUCTIONS:

Only people who reside in the same household should come together in the same vehicle. Please do not pick up anyone who does not live with you.

In order to provide the best radio transmission, we ask that all taller vehicles such as trucks, SUVs, & vans park on the outer perimeter, leaving room for cars closer to the podium.

In order to maintain a safe distance, we ask that everyone remain in their vehicles for the duration of the service. If you need to open a window, we ask that you only open the driver's side windows. This will allow for our passenger side windows to act as barrier between vehicles

We look forward to worshipping with you! If you have any questions, please contact the Church Office Manager Emily at officemanager@norwaygrove.com
